Dear Ms Adachi,

It is with great pleasure that I invite you to a Court of Honor being held for Kevin Collins Immerman and Matthew Robbertz, on Thursday, June 27, 2013, at 7:00 PM at the St. Elizabeth of Hungary Church, 89 Arlington Street, in Acton, Massachusetts. Kevin and Matt will be receiving the rank of Eagle Scout, the highest honor Boy Scouting offers.

Many of the skills Kevin and Matt gained on the path to Eagle were put into practice while completing their Eagle projects. For his project, Kevin designed and built two benches for the CT Douglas Elementary School in Acton, Mass. One of the school's long-time assistant teachers passed away recently, and the new benches, along with several other improvements, were welcomed to the Douglas playground in her name. Kevin chose his project because he wanted to use his technical skills and build something, and he wanted to give back to the school where he spent so many years.

Matt's project included both trail maintenance and construction of a walking trail at the Acton Arboretum, a popular conservation area in Acton. Matt performed erosion mitigation on a 30-foot section of trail by creating two water diversion channels that directed water away from the main surface of the trail. He then created a 60-foot section of trail, connecting a shorter loop to the main Arboretum trail. The work involved digging a trench, lining it with landscape cloth, and filling it in with stone dust. The path was then compressed and leveled. The finished trail now provides accessibility to all who wish to use it, including those with limited mobility.

Using the proceeds generated by a joint carwash held last fall, Kevin and Matt were able to completely fund both of their Eagle projects.

Kevin and Matt's projects each provided something of value to their community. The Town of Acton, Boy Scout Troop 32, family, and friends are extremely proud of the fine work these young men accomplished.

We hope that you can join us in this tribute to Kevin and Matt. Please respond to Karin Quantrille, at 978-929-0865, quantrille@verizon.net, or the address above. If you cannot
